# Caldecott Award Book Club

inspirED Reader & Writer for **K2-3**, ages 4-5

The Caldecott Award annually recognizes the most distinguished, beautifully illustrated, American picture books. In the Book Club, students will use these award-winning works of literature to further develop their burgeoning language, comprehension and creativity skills, while building a love for literature.

In this course, students will:

- Exercise a critical-thinking approach to reading, listening, thinking, and understanding
- Strengthen their vocabulary, sentence formation, syntax, and fluency
- Learn to understand different perspectives
- Practice foundational grammar as well as form and share their opinion with a basis of evidence

**WEEK 1: March 26 - 28**

**WEEK 2: April 2, 3, 5**

**10:30am**

 **1.5 hours / day**

# FUNdamentals

inspirED Reader & Writer for **K2-3**, ages 4-5

Fun Fundamentals is a personalized review and extension of the groundwork skills necessary to be a successful reader and writer in kindergarten and the early primary years. Each child will have activities designed to reinforce and strengthen key skills in decoding, comprehension, and written composition. This would be a great class if you are looking to help your kid develop in all areas, including the more "traditional" academic ones.

In this course, students will:

- Strengthen their vocabulary, grammar, sentence formation, syntax, and fluency
- Learn to understand different perspectives
- Practice forming and sharing their opinion with a basis of evidence

**WEEK 1: March 26 - 28**

**WEEK 2: April 2, 3, 5**

**2:00pm**

🕒 **1.5 hours / day**

# A Glimpse into the Future

inspirED Reader & Writer for **G5-6**, ages 10-11

**We are living in uncertain times, but because of this, it opens us to many possibilities as to what it would be like in the future. We will be reading stories by international writers who pose this question and we will be writing our own predictions: a story about a future that we sought after and something that we can all look forward to.**

In this course, students will:

- Use figurative language and create powerful imageries in writing
- Foster creativity and active thinking
- Brainstorm and learn the craft of world building
- Build an awareness of the world around them
- Compile a creative writing portfolio with their own original ideas
